

Outside Door

In an effort to safeguard all of our children at Landsc@re, I will be arranging for the back doors of the school (where the children exit) to be locked after 3:45pm each day. This is to ensure that all children in after school clubs are safe inside the school and that no strangers can access the building. If you should need to enter the school, please go via the main entrance.

PTA Cider tasting and quiz evening

Friday 12th May 7:00pm
-Please remember to buy your tickets at the school office for this event – it should be a great night!

Polling Station

Next Thursday, 4th May, the school is being used as a polling station. We are remaining open, however, I will have to ask you all to ensure that you enter and leave the school site via the side gate entrance by the Hairy House. Thank you.

Alicia Pett

Dear Parents and Carers,

Resourceful Learners

Last term, we introduced our learning values at Landsc@re in which we are aiming for children to show resourcefulness, perseverance, reflectiveness and flexibility in their learning. This term we have been focusing on developing the skills of resourcefulness so all teams have been planning activities which challenge the children to: use their problem solving skills; ask questions; think on their feet; choose and use appropriate tools, learn from mistakes; learn from others and plan the best approach. There have been some fantastic sessions this week with years 3 and 4 building shelters and filtering muddy water

and years 1 and 2 solving a range of problems to help the prince free the princess from the tower! We are always looking for different ways to inspire the children in their learning so we thought it would be great if we could have parents coming in to talk to the children about having to be resourceful in their own jobs. If you would be happy to come along to join in an assembly on resourcefulness, please contact the school office and leave your details. Many thanks.

Safe Parking Tax Discs Many thanks to all of you who have been displaying the tax discs to reinforce our messages about safe parking around the school.

Playground Equipment Hopefully all of our playground equipment will be available for use next week which will be great for the children. I would just like to thank all of you for your contributions towards the repair of this equipment as we have used a donation from the PTA to help towards the costs.

Change to the Dinner Menu As a result of having a lower number of staff available at lunch time on Tuesday due to Mrs Anderson's funeral, we are going to have to serve a meal in a bag. The dinner that day will therefore be sausage roll/vegetarian sausage roll and chips or jacket potato with cheese and beans.

Congratulations to our Millionaire Readers this week. Recently, Finlay Mackenzie, Joe Albiez, Vlad Mototolea, Isabell Sollis, Nitika Thiruvilan, James Harmer, Evan Kelly, Nial Blagden and Amber Parfitt all achieved their Millionaire status on our Accelerated Reader programme which means that they have read over 1,000,000 words since we started in October. Well done to you all and keep enjoying those books!

Congratulations also to Alicia Pett who has achieved her stage 4 swimming award at Crediton Leisure Centre this week. Well done Alicia, keep up the great work with your swimming.

I hope you all enjoy the Bank Holiday weekend. See you on Tuesday.

Yours sincerely

Debbie Main
