

### Email correspondence

I would really like to cut down on the amount of paper and photocopying we do as a school, so I am looking to send the newsletter out through email each week. If you are not happy to receive this as an email, please contact the office and we will continue to send you a paper copy. I am sending this week's newsletter out via email (and paper copy) so that you can see if you like it that way or not. Please remember that the newsletter is always available on our website too.

Keelan Payne

Edith Coomer

Dear Parents and Carers,

### KS2 SATs week

Next week is KS2 SATs week. I am sure parents will help to reassure all of our year 6 children that they have nothing to worry about - they just need to try their best. Please do encourage them to get a good night's sleep every night though.

### Bikeability

Our year 5 children will be doing 'Bikeability' next week. The course begins on Monday and runs all through next week so we will have a number of bicycles arriving and leaving school each day. Please be extra vigilant when driving to and from school. If you are bringing bikes into school, please leave them on the grass bank outside the year 3/4 classes or locked up in the bicycle shelter.

### Deputy Headteacher Position

As you are all aware, Mr Smith, our present Deputy Headteacher will be leaving us at the end of this term to take up his new post as Headteacher at Haywards. Although we wish Mr Smith all the very best for his new appointment, this obviously leaves us with a Deputy Head vacancy at Landscore. I am very pleased to announce that Mrs Williamson will be taking up the position of Acting Deputy Headteacher for the next year whilst the post is advertised.

### Park Smart

As with many primary schools, parking remains a big problem around the school during drop off and pick up times. Our 'Park Smart' campaign is still in action and Lisa Crocker, our PCSO, will once again be patrolling the area to remind everyone about safe parking. Please remember that we all need to work together on this to ensure the safety of all of our children.

**PTA Cider Tasting and Quiz Night** Please remember that next Friday is the PTA's Cider tasting and quiz night. It promises to be a great night for all with four samples of cider, snacks and the quiz on offer. It's not too late to get a team together! Tickets, are £8 each or two for £15 and can be purchased from the school office all next week.

**Congratulations** to Keelan Payne who received a 'top trainer' trophy at a football training day this week for listening well and encouraging others. Well done Keelan and keep up the great sportsmanship.

Congratulations also to Fynn Schuster (Y6) and Annabel Schuster (Y1) who have both been very busy developing their swimming skills. Annabel has achieved her stage 3 swimming award in which she had to swim 10m and pick up an object and Fynn has passed stage 8 in which he had to swim 400m in a specific time amongst other difficult tasks. Well done to you both and keep up the great work.

Final congratulations must go to Edith Coomer who has now become a Millionaire Reader in our Accelerated Reading programme. Well done Edith and I hope you enjoy lots more books!

I hope you all have a great weekend.

Yours sincerely

*Debbie Main*
