## Landscore Primary School

# Home - School Agreement

Schools provide best for their children when parents, children and school staff work closely together. Before you send your children to us, you have helped them to walk, talk, play, socialise, sing songs, dress themselves ... the list goes on. It is our job to work with you to ensure this early education is built on. Between us, we want the best for your child and every child.

This home-school agreement sets out how we will do this together. It contains four parts:

- Landscore Primary School Aims
- What you can expect from the school
- What the school can expect from parents
- What we can expect from our children

I hope you feel able to subscribe to the contents of this home-school agreement. By working together, we will provide the best for your child.
