

KIDZ STAR CLUB DAILY ROUTINES

Breakfast club

Children arrive at various times between 8am and 8.40am. Children eat breakfast when they arrive consisting of cereal, toast, fruit juice, milk or water to drink. They are encouraged to wash up their bowl, plate and cup. Following their breakfast they choose different resources and equipment, some like collage, drawing or colouring, others prefer games like air-hockey, finger knitting and construction like super octans or lego. The school computers are popular they access games and educational work through the LOLA website only. Children are taken to their individual classes by a play leader or play worker.

After-School club

The children are collected from their individual classes. They collect all their belongings and take them upstairs hanging them on the coat hooks provided. The children wash their hands and eat a variety of fruit and vegetables. The children have one or two slices of wholemeal toast with a topping of their choice. They have a choice of milk or water. The children are encouraged to wash their plate and cup, wipe their faces if appropriate, put on a Kidz Star Club T-Shirt, and sit on the rug children take it in turns to call the register. The children sing the "We are going outside" song and line up. The children visit the toilet before going outside. Outside they choose a variety of resources or play games together. Depending on the weather conditions and light the children will stay outside longer on some nights. The children sing the "We are going inside" song, line up against the wall having returned all the resources. One child opens the locked cloakroom doors and the children walk upstairs. The children are offered a drink of water, milk or squash with crackers, spread(s), cheese and cucumber. The children choose inside activities until they are collected by their parent or carer.
