Dear Parents and Carers,

**SATs** Well done to all of our year six pupils who have been taking their KS2 SATs this week. The children have been brilliant, putting their best effort into each one of the tests and showing what great stamina they all have (even when some of them have been ill!). Regardless of the outcomes, we know that our children are so much more than a test – they are incredible young people who all have a vast array of skills and talents and I know they will all go on to do amazing things in their lives. We are so proud of them all.

**Bikeability** Well done to all of our Year 5 children who have completed level 1 (and level 2 for some) of Bikeability this week. The children were very well behaved and have represented the school really well whilst out on the roads of Crediton.
