

Friday 8th November 2024

Hi all,

It's been a great week back in school, this week we have started single page spreads about Romero Britto and Kandinsky in Art, evaluating different materials and types of stitches in DT and an introduction to light sources in Science.

Please can children bring in a cereal box for science next week and if your child wants a specific material for their DT project please also provide this.

Spelling – here are the spelling words for next week:

separate

special

straight

potatoes

question

probably

promise

remember

sentence

popular

Maths: Next week, the children will be starting multiplication by looking at equal groups, multiples of 2, 3 & 5, arrays and sharing and grouping.

English – Next week we will continue our sequence based on the 'Interview with a tiger' where the children will be looking at the ingredients of a non-chronological report and starting to plan their own interviews.

Times tables – Our times table focus for this week will be the 4 x table. The children will have their test for this on Friday.

Swimming and PE–

The children will all have PE on Tuesday afternoon and Year 3 will have PE on Wednesday morning while the Year 4 children have their swimming lessons.

Please could all Year 4 children come to school on Wednesday with their swimming costumes underneath their school uniform. This makes the changing at the swimming pool much easier!

Please do remember to pack the children's underwear in their PE bags and a towel for them to change!

If you have any questions at all about anything then please do email either Miss Maddison or Miss Jones.

Have a lovely weekend,
Team 2
